# Birthday Bundles

Typically, when it is a struggle to maintain necessities, extras fall by the wayside. We believe birthdays are a time for celebration and should not be forgotten! Thusly, Birthday Bundles are provided for parents of children 0-12 years of age. At the very least, these bundles contain a cake mix, icing and an age & gender appropriate gift.

- Cake Mix
- Icing
- 1 Pkg Birthday Candles
- 1 Pkg Balloons
- Party Supplies (hats, plates, napkins, etc.)
- Birthday Gift
