

PUBLIC SERVICE ANNOUNCEMENT

Stuff A Bus helps to stock local food banks for Christmas with almost 6400 pounds of food

On Tuesday, December 5th, citizens of Lethbridge and area came out to support our local food banks and the annual Stuff A Bus campaign at our local Save On Foods stores. Volunteers were on site at both locations to accept donations of food and funds, and worked tirelessly to fill two City Transit buses during 15% Off Tuesday.

Almost 6400 pounds of food was collected at the one day event, donations will continue to be accepted at both stores through the Christmas season.

Interfaith Food Bank and Lethbridge Food Bank would like to thank Save On Foods for hosting Stuff A Bus on our behalf, and we would also like to extend a sincere thanks to the City of Lethbridge Transit Department providing the buses for the event.

For more information or to learn more about other Christmas events to benefit our local food banks, contact
